

Come and join us...

Catfield Environmental Group is a group of enthusiastic like-minded people from the village who have an interest in environmental issues.

We aim to make a positive contribution to our village environment by holding litter picks, planting trees and taking action on unloved areas for the benefit of residents and wildlife - aiming to enjoy ourselves while we do it.

Membership is open to everyone and costs just £5.00 per year

Please contact Edwina Simpson on 07932 19155 or email: catfieldenvironmentalgroup@gmail.com
